

Kid View, Inc.

Preschool and Before and After School Programs

KID VIEW INC. PRESCHOOL HEALTH AND SAFETY PLAN

This plan encompasses the guidelines and directives from the Center for Disease Control (CDC). Please review our protocols below.

GENERAL HEALTH & SAFETY PROTOCOLS

- Kid View, Inc. staff are trained in COVID-19 safety protocols, First Aid, CPR, Pediatric CPR and Fire Safety.
- All staff are vaccinated
- Staff will ensure that children wash their hands frequently throughout the day.
- Our staff will do periodic cleaning throughout the day.

MASK OPTIONAL POLICY

- Parents will make the decision about mask wearing for their child.

VENTILATION/CLEANING

- We will make use of our outdoor spaces for the benefit of greater ventilation.
- Kid View, Inc. will implement rigorous daily cleaning routine.
- Medical-grade, CDC-approved disinfectants and cleaners will be used for cleaning on a regular and ongoing basis.
- Air conditioners and fans will be used for ventilation

ILLNESS

- **For the safety of everyone, please keep your child home when sick and/or has a fever.**
- If a child becomes sick at school, we will call the parent to pick them up and we will make the child as comfortable as possible.

COVID-19 DIAGNOSIS/QUARANTINING

- If your child has been diagnosed with COVID-19, please call the business office at 215-885-0583.
- All families and staff will be notified of any confirmed COVID-19 cases in their class via email and in accordance with confidentiality rights as required by the Americans with Disabilities Act.
- Children that have tested positive for COVID, regardless of vaccination status, must quarantine for 10 days. Children can return after their quarantine if they are fever free and exhibit no symptoms.

CLOSE CONTACTS/QUARANTINING

- Kid View, Inc. will collaborate and consult with the Montgomery County Office of Public Health and follow their requirements with regards to conducting contact tracing, isolation and quarantine for infected and/or exposed individuals.
